

Spanish Summer Camps 2022

Our camps are designed to give children a unique opportunity to learn, practice, and improve their **Spanish language skills**. Week-long sessions are centered around a specific theme and consist of **interactive games, music and movement activities, and arts & crafts**. Each week of in-person camp culminates with a sing-along where the kids get to show some off what they have learned.

In-Person Camps

Hours: 9am - 3pm / Fees per week: \$450
 Before Care: 8 - 9am: \$50 / After Care 3 - 6pm: \$130

June 6-10 / August 1-5

Adventures-at-the-Reservoir

We will spend the week at the Lafayette Reservoir learning outdoor skills and exploring nature. Activities include boating, nature walks, outdoor cooking, wilderness living skills, crafts and games—all in *español*! You do not want to miss our Goldfish Cracker and Gummy Worm fishing games!

June 13-17

Rainforest-Expedition

Venture into the realm of the rainforest where quetzals soar, howler monkeys call and red-eyed tree frogs croak. Uncover the mysteries within the rainforest's layers, and learn about the amazing cacao plant that gives us chocolate! Join us on a raft trip down the Amazon, as we make our very own binoculars and navigate through an untamed world of amazing rainforest plants and creatures. Half-day every day at the Lafayette Reservoir.

June 20-24

Chop-Chop...Chopped!

A fun-tastic cooking competition! Our young chefs will be given mystery ingredients that they will turn into creative and extraordinary treats. The challenge? They will work in teams to prepare and cook delicious meals, up against the clock! Once completed with their dishes, a panel of judges will determine who delivered the yummiest fare. All in fun, can your *cocinerito* survive the chopping block?!

July 18-22

Game-Week

Join us at the Lafayette Reservoir for a week of classic games, prizes, and food—Viva el Español style! We'll have sack races, play bean bag toss and milk-can baseball, try our luck at wheel of fortune, and go on a scavenger hunt. We will also make and play with oobleck, create paper bag puppets, and break a piñata. Our water balloon games are sure to make a splash!

July 25-29

Ocean-Science

Take a trip with us to explore the sights and sounds of the beach and marine life. We will learn all about adaptations, habitats, life cycles, how things move, classifying animals, and more! The week will be filled with fun beach games, and you get to take home your own three-dimensional clownfish science book - *en español*! Half-day every day at the Lafayette Reservoir.

- Sessions run Monday through Friday.
- Campers may sign up for any number of sessions!
- Ages 5 to 10.
