

Spanish Summer Camps 2024

Our camps are designed to give children a unique opportunity to learn, practice, and improve their **Spanish language skills**. Week-long sessions are centered around a specific theme and consist of **interactive games, music and movement activities, and arts & crafts**. All camps (except cooking) will have some activities at the Lafayette Reservoir each week.

In-Person Camps

Hours: 9am - 3pm / Fees per week: \$495
 ** Kindergarten Option: 9am - noon / \$248 per week
 Before Care: 8 - 9am: \$50 per week

June 3-7
Carnival Games **

Join us for a week of classic carnival games, prizes and food – Viva el Español style! We'll play tin-can-slam, balloon pop and bean bag toss, have a pie eating contest, and try our luck at wheel of fortune! We will build our own concession stand and make delicious agua fresca, guacamole, and popcorn. Our water balloon games are sure to make a splash!

June 10-14 / Aug. 5-9
Champions of the Reservoir

Contestants will spend the week in a not so "remote" location of the Lafayette Reservoir where they will learn outdoor skills while competing for the title of Champions of the Reservoir. Challenges include boating, nature walks, treasure hunts, shelter-making, tug-of-war, and a "gross" gummy worm eating contest!

June 24-28
Chop, Chop...Chopped!

A fun-tastic cooking competition! Our young chefs will be given mystery ingredients that they will turn into creative and extraordinary treats. The challenge? They will work in teams to prepare and cook delicious meals, up against the clock! Once completed with their dishes, a panel of judges will determine who delivered the yummiest fare. All in fun, can your cocinerito survive the chopping block?!

July 15-19
Ocean Science **

Take a trip with us to explore the sights and sounds of the beach and marine life. We will learn all about adaptations, habitats, life cycles, how things move, classifying animals, and more! The week will be filled with fun beach games, and you get to take home your own three-dimensional clownfish science book - en "español"!

July 22-26
Sports

Imagine a whole Spanish camp for sports lovers! We will practice soccer, balloon volleyball, frisbee golf, hiking and more! Our field games will include pass-the-water, relay races and the hilarious ping-pong shake. Your little athletes will improve their physical skills and come home with a whole new set of "vocabulario" related to the things they love to do!

July 29-Aug. 2
Jurassic Park

Calling all paleontologists! Travel back in time with the Viva el Español Dinosaur Egg Rescue Team to a pre-historic age, where dinosaur mysteries abound! We'll create a dinosaur habitat, dig for bones and eggs, and make dinosaur fossils. Our T-Rex race will be a rawr-ing adventure!

- Sessions run Monday through Friday.
- Campers may sign up for any number of sessions!
- Ages 4 to 10.
